You have the right to file a complaint with the Office for Personal Data Protection if you believe that your personal data has been processed in violation of applicable privacy laws. Contact details can be found here <https://dataprotection.gov.sk/uouu/sk/content/kontakt-0>.

All rights of data subjects in connection with the processing of personal data are regulated by §21 to §28 of Act No. 18 2018 Coll. on the protection of personal data.

Cookies

In order to ensure the proper functioning of this website, we sometimes store small data files on your device, so-called cookies. It is common practice for most major websites.

What are cookies?

A cookie is a small text file that a website stores on your computer or mobile device as you browse it. With this file, a site keeps track of your steps and preferences (such as email, language, filtering, sorting, searching, shopping) for a while, so you don't need to re-enter them when you visit or browse each site again.

How do we use cookies?

These websites use cookies to remember the sign-in, the products embedded in the shopping cart, to better customize the visitors' interest, the necessary website functionality, and the website visit statistics.

How to check cookies

You can control or delete cookies at your discretion - see wikipedia.org for details. You can delete all cookies stored on your computer, and you can set most browsers to prevent them from being saved. In this case, however, you may need to manually adjust some settings each time you visit a website, and some services and features will not work.

How to refuse to use cookies

Cookies can be set up using your web browser. Most browsers automatically accept cookies in their initial settings.

Analytical Cookies

This site uses Google Analytics provided by Google, Inc. (Hereinafter referred to as "Google"). Google Analytics uses cookies.

Google Analytics is enhanced with related advertising features provided by Google, namely:

- View reports on the Google Display Network
- remarketing (showing content ads based on visible products)
- extended demographic reports (reporting anonymous demographic data).
